

# IIT CAMPUS SCHOOL & JUNIOR COLLEGE

## ANNUAL REPORT – 2025-26

Honourable Chief Guest, Prof. .Neela Natraj, Dean Strategy IIT Bombay. Guest of honour Prof. Upendra V. Bhandarkar, Dean ACR IIT Bombay, committee members, members of IIT Bombay administration, parents, teachers, dear students and well-wishers.

A very warm good evening to everyone.

It gives me immense pleasure and pride to present the Annual Report of IIT Campus School & Junior College, highlighting the significant achievements and activities of the academic year 2025 - 2026.

At the outset, I express my sincere gratitude to our chief guest Prof. .Neela Natraj, Dean Strategy IIT Bombay, Guest of honour Prof. Upendra V. Bhandarkar, Dean ACR IIT Bombay & Committee members for sparing their valuable time from their busy schedule and gracing the program today. I would also like to express our sincere thanks to the authorities of Indian Institute of Technology Bombay for their constant encouragement and support to the school.

Please accept my Warmest Welcome to another exciting & wonderful Annual Day celebration A. Y. 2025-26 of the Campus School, the school with unlimited positive future.

IIT Campus School provides affordable education and promotes new initiatives and support for students in their education and holistic development.

### **A. Academic achievements A. Y. 2025-26 :**

Academic excellence continues to remain the hallmark of our institution. Our students have once again demonstrated outstanding performance in the SSC and HSC Board Examinations this year.

Incharge teacher **Mr. Shivam Singh :**

- Inspire Award Mast. Amit Yadav of Std XI received Inspire award qualified for the next Level.

Topic: Smart Mango Ripeness Detector

[A smart, low-cost device using gas sensors to predict optimal pre-harvest maturity and monitor post-harvest ripening to minimize mango spoilage and economic loss.]

Incharge teacher **Ms. Ankita Joshi**

### **E. ACE Real Padamsee :**

In our continuous endeavour to nurture confident and expressive learners, IIT Campus School introduced the Academy of Creative Expression (ACE) program, designed by Raell Padamsee. This initiative has been particularly impactful for our first-generation learners, providing them with a structured platform to develop communication skills, self-expression, and confidence.

The ACE program focuses on experiential learning through activities such as role play, storytelling, theatre techniques, and public speaking. These methods have helped students overcome hesitation, build stage presence, and articulate their thoughts with clarity.

A remarkable transformation was witnessed during the culmination program, where students showcased their enhanced confidence, improved language skills, and expressive abilities. Their performances reflected not only their learning but also their growing self-belief and enthusiasm.

The program has proven to be a significant step towards holistic development, empowering our students to communicate effectively and face future challenges with confidence. We sincerely appreciate the efforts of the ACE trainers and our dedicated teachers who have guided the students throughout this journey.

### **F. Inter School Competition :**

Our students actively participated in various inter-school competitions including quiz, debate, sports, cultural events, and academic contests. I am proud to mention that our students have brought several prizes and accolades, proving their talents beyond the classroom.
