## Primary In-charge's Message

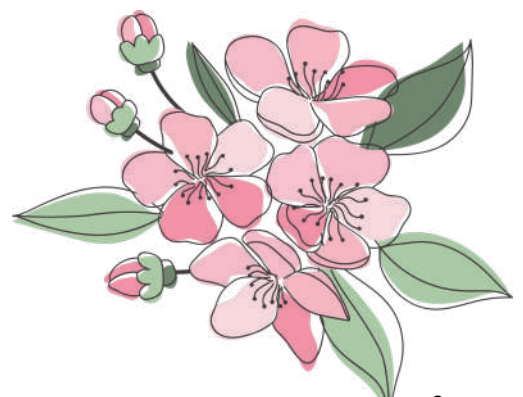

### The Importance of Reading

Reading is like a magical key that unlocks a whole world of adventures! When you read, you can travel to faraway lands, meet amazing characters, and learn about incredible things. It is like having a secret superpower that lets you explore the universe from your own comfy chair. Reading helps you grow your imagination, learn new words, and even make new friends.

Reading is more than just learning to read words on a page. It is a journey of discovery! It helps you understand the world around you, develop your creativity, and become a better thinker. I encourage you to explore the wonderful world of books and never stop learning!

So, grab a book, get cozy, and let your imagination soar! Happy reading!

With Regards  
Mrs. Ruby Saimy

## **Mrs. Shubhangi Batwal**

Inter house computer competition arrangements and conducting for group 2  
Doing calculations of marks of sports for best house  
Celebrating shivaji Jayanti  
Conducting boards exam for 10th

## **Mrs. Ashwini Chavan**

Prepared students for International mothertongue day. Various languages and their culture was presented by me in morning assembly.  
Marathi Bhasha Gaurav Din , Prepared and presented Marathi song.  
Visit to Maker space exhibition along with secondary students

## **Mr. Ashish Patil**

Mentored and guided the students for the following workshops  
Maker space workshop  
APT 2025. Biotechnology international summit organised by biosciences department.  
National Science day celebrations in School for Secondary section

## **Mrs. Stephy Sebastian**

Moving towards the end of the Academic Year, an English Activity - Shapes Mobile was conducted in which the students of class 1 participated in huge number showcasing their creative wall hangings describing various shapes and colour. Students of Class 1 also presented a Story during the School Assembly to improve their confidence and skills. On 28th February 2025 being the National Science Day our students came up with innovative EVS models.

### February Contributions:

Results for one of the toughest exams, the Dr. Homi Bhabha Quiz Competition, were announced. Miss Aaradhya D Shirsath from 6th standard passed and qualified for a certificate.

Successfully performed the role of an external examiner for the 10th board external exams at SM Shetty High School.

Conducted 10th standard board practicals for Science seamlessly.

On 15th February, took students to attend the APT workshop where they experienced various international presentations, departmental projects, and participated in the Bio Quest Quiz.

On 20th February, accompanied 8th standard students to the Makerspace workshop for STEM activities.

Participated in a team-building activity at Garudmachi High Places with the Joint Team Campus School. This event emphasized the importance of valuing each other's contributions and understanding their roles in team events.

Judged the school Science Exhibition on the occasion of National Science Day.

### Photography Contributions:

Captured key moments of the following events:

1. Presentation on Environmental Science at the school library.
2. APT Workshop.
3. Makerspace Workshop.
4. Chhatrapati Shivaji Maharaj Jayanti celebration during the school assembly.
5. Team-building activity at Garudmachi.
6. Marathi Bhasha Diwas competitions and special school assembly.
7. National Science Day.

**Science Day Celebration:** Had the privilege of judging innovative projects presented by talented students of Std 1st and 2nd, and selecting the deserving winners.

### **Cubs and Bulbul activity:**

**Marching to Success:** Our Bulbuls Excel Our Bulbuls practiced hard for the march pass and prepared for the Cubs and Bulbul Competition . They did a great job and won awards for Best Shatak and Best Bulbul Leader. Their best moment was performing an excellent march-past in front of the IIT Bombay Director on January 26th

### **Election Activity**

**DEMOCRACY IN ACTION:** A Class Monitor election for English was held for 3rd standard students, aiming to teach them the electoral process, foster leadership skills, and choose a worthy leader. The students participated enthusiastically, nominating themselves and presenting their qualifications. They also posed questions to their peers, followed by a fair voting process. Ultimately, Chinmay Mokashi and Vaishnavi Verma emerged as the elected English Subject Monitors.

### **Star Reader Activity**

#### **Star Readers of the Week: A Five-Way Tie**

For the fifth time, the 'Star Reader of the Week' activity was conducted in our class, witnessing a significant rise in the level of reading competition. This time, our previous winner Aradhya Kharat faced stiff competition, and the top honors were shared by five new winners: Arnav Singh, Riddhi Mohite, Purba Parab, and Diksha Kori, who emerged as the Star Readers of the Week.

### **Green House activity**

#### **Green House Leads the Way: Vaishanavi Verma Wins Poetry Competition**

Vaishanavi Verma from Green House clinched the first prize in the House-wise Poetry Recitation Competition, sending waves of joy throughout Green House as they maintain their top position on the leaderboard.

**Good Touch and Bad Touch** A lecture and activity was conducted for Class 3 students to educate them on the concept of good touch and bad touch, emphasizing the importance of personal boundaries and safety

1st January, 2025. – School reopening performance by Ms. Gauri Kale from VII Std

मन मंदिरा..... तेजाने ..... उजळूनी घेई साधका  
तळहातांच्या रेषानी सहज सुखा का भोगी कुणी  
स्वयंप्रकाशी तू तारा चैतन्याचा गाभारा  
भर षंखांतुनी स्वप्न उदयाचे झेव घे रे पाखरा  
उजळूनी घेई साधका

This song teaches us that “you are the creator of your life. Take a leap. Student Gauri kale sung this song very beautifully even though it’s one of the difficult song to sing.

4th January, 2025 – Alumni Meet 2025

Started the event with the devotional shloka of saraswati. “Ya Kundendu Tusharahara Dhavala Ya Shubhra Vastravrita.” Sung by music Teacher Ms. Amarapali Panchal.

‘Welcome all the guest with the lovely notes of ‘Welcome song’ - स्वागतं शुभ स्वागतम्’

Students perform so well with welcome song giving their best increasing the graph of performance day by day.

23rd January, 2025 – Farewell of 10th and 12th

The farewell function started with an lovely performances by 9th & 11th students.

One of 11th Std student named Ms. Vaishnai suresh presented few songs on violin. I tried to guide her to present in more beautiful way and she did that she performed so well.

26th January, 2025 - Republic Day

Flag song performance in school ground while National Anthem  
Flag Hosting

Students sang in good manner with perfection in Sur & Taal.

Classical dance performance in gymkhana ground. Girls of primary, secondary and Junior college performed very gracefully. Their performance made me feel proud as a in-charge teacher of classical performance.

### **Ms. Lata Popale**

# The Moon

I see moon,  
And the moon sees me.  
God bless the moon,  
And god bless me.

Shourya std-3

March

DATE: 5 / 3 / 2025

TOPIC: Holi

PAGE No.

## \* 5. Holi

HOLI is the festival of colours. Holi is generally celebrated for two days in the month of Phalgun.

On the first day (full moon day) a bonfire is lit at night and the goddess Holika is worshipped. Special sweet dishes are made for the occasion. The second day is 'Dhulivandan' when adults and children play with coloured water and powder. Children enjoy this day a lot.

However, Holi should be celebrated with care. Healthy trees should not be cut for the bonfire. Harmful colour or paint should not be used. Strangers and passers-by should not be troubled. Water should not be wasted. Only then will everyone enjoy Holi.

Red light, red light.

What do you say?

I say stop, stop right away.

Yellow light, yellow light,

What do you say?

I say wait, wait right away.

Green light, green light.

What do you say?

I say go, go right away.

Will you please share a

Scale with me?

मेरा देश निराला

मेरा देश निराला है,  
यहाँ कोई गोरा कोई काला है  
पर आपस में प्यार है ,  
सुंदर सुंदर त्यौहार है  
यहाँ हर बच्चा वीर है ,  
शक्ति की तस्वीर है  
देश का नाम है हिंदुस्तान,  
हम सब इसकी है संतान

-Nikhil Sharma  
Std 5

समय पर कविता

समय का जो रखता ध्यान ,  
जग मे होता उसका नाम  
समय को जो खोता है ,  
बाद मे रोता है  
समय कभी नहीं रुकता है ,  
चलता है, बस चलता है  
सफल वही यहाँ रहता है,  
समय के साथ जो चलता है

- Sanket Gawai

## Dr. Babasaheb Ambedkar

Babasaheb Ambedkar , also known as Dr. B.R. Ambedkar, is primarily recognized for his pivotal role in a drafting in the Indian Constitution as the chairman of the Constitution Assembly's Drafting Committee, effectively becoming the "Father of Indian Constitution" and championing Social justice by advocating for the rights of marginalized communities, particularly in India, also known as Dalits; he is considered a key figure in the fight for social India.

### My school My Pride

My school My pride.....!  
Where we had a wonderful school ride .....!!!!  
We read, we write  
And make our future bright.....!!!  
We learnt to respect.....!!!  
Not to neglect.....!!  
We learnt to accept.....  
Not to expect.....  
We laugh, we cry  
We play, we study  
With air best buddy.....!!  
Respect elders, obey parents  
Became sincere and punctual  
is the habit we learn.....  
And that is why we call.....  
'My School, My Pride'

## शिकवण

आयुष्यात फक्त पॉझिटिव्ह राहायचे..  
जे होतंय ते चांगल्यासाठीच होते,  
हे समजून पूढे जात राहायचं..  
प्रत्येक संकटामागे काहीतरी उजेड असतो.  
अडचणी येतात,  
पण त्यातूनच आपल्या आत्मविश्वास वाढतो,  
आणि नव्या शिकण्याची संधी मिळते.  
अंधारातही तारे चमकतात.:  
तसं चमकत राहायचं..  
जगण्याचा हा प्रवास म्हणजे  
छोट्या छोट्या अनुभावांचा संगम आहे,  
जे आपल्याला पुढे नेण्यासाठी प्रेरणा देतात,  
विश्वास ठेवा की प्रत्येक पावलानी आपल्याला  
स्वप्नांच्या जवळ नेले आहे  
आता नाही वेळ तुमची नाही  
म्हणून सोडून नाही द्यायचं प्रयत्न करत राहायचं  
जिंकायला वेळ लागतोच  
पण आधीच हरायचं नाही

- Priya Gawai  
Std 8

## Nature

Oh Wonderful nature,  
You are so beautiful.

With green trees,  
and humming bees.  
The grass is so green  
And water is so clean.

Birds fly in the sky,  
And Mountains are so high,  
The wondering butterflies,  
Make my thoughts fly.  
The water falls are so cool,  
just like a swimming pool.  
I love nature very much,  
God give us this far feature.

-Ishwari  
Std 5

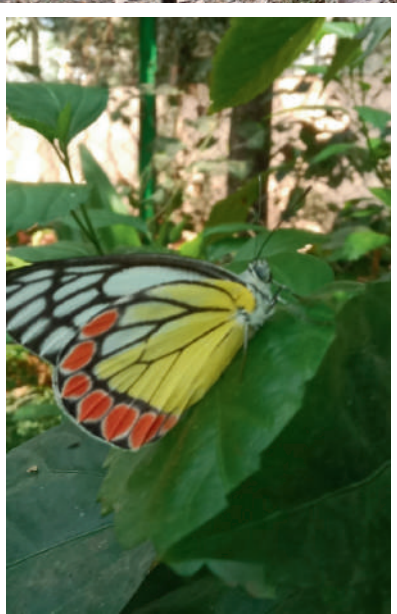

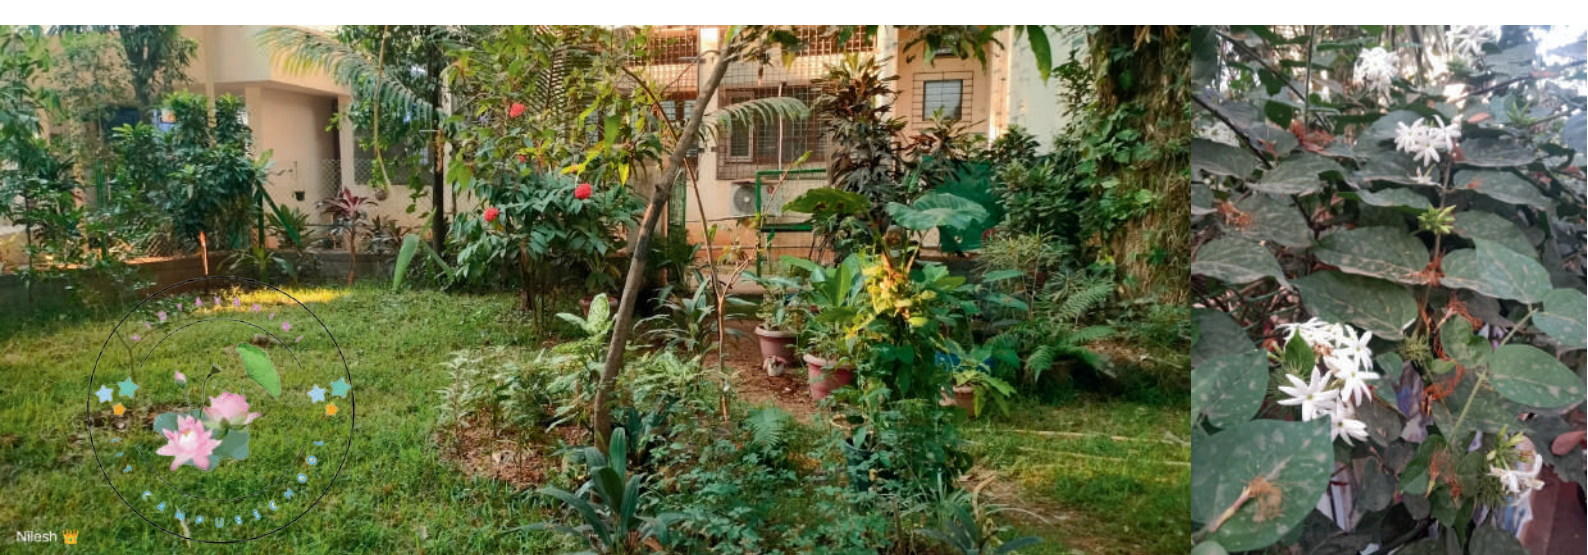

# Staff Contributions- School Garden

## Upcoming Events

- Std IX and XI Prelims
- International Mathematics Day Celebrations
- Annual Prize Distribution Ceremony
- CCA Activities and Revision for Semester-II exams
